Please note: The better the photo, the better the artwork. Images do need to be of a good size and taken in good light. Size is important for the larger drawings which I will blow up the photo for; and, If you can't see it in the photo I can't draw it, this is important for eye colour etc. If you need advice please call or email. I can do sittings or visit to take the photos myself but this will be at extra cost.

A paper size to approx, inch and cm conversions are:

A4 = 8 x 12 in / 21.0 x 29.7 cm

A3 = 12 x 16 in / 29.7 x 42.0 cm

A2 = 16 x 24 in / 42.0 x 59.4 cm
